EXPERIENCE

FIGHTING IRISH CAPITAL FUND

Student Analyst – Healthcare Sector

Notre Dame, IN

June 2026 - Present

- Co-manage an \$800,000+ student-managed equity portfolio, supporting healthcare allocation decisions designed to outperform the S&P 500 and XLV on a risk-adjusted basis
- Recommend and defend buy, hold, and sell positions to faculty and advisors using DCF and comparable-company valuation models

NORR WELLNESS LLC

Co-Founder

St. Petersburg, FL

November 2025 - Present

- Lead commercialization planning for prestige oral care startup, including formula strategy, manufacturer sourcing, unit economics, pricing analysis, and 5,000-unit launch planning

MCKNIGHT BRAIN INSTITUTE

Neuroscience Researcher

Gainesville, FL

February 2022 - February 2023

- Generated insights from literature reviews and statistical analyses across 300+ studies on subarachnoid hemorrhages and Alzheimer's disease, informing early-diagnosis research and investigative prioritization
- Developed an analytical framework synthesizing 300+ studies to identify variables linking vascular trauma to neurodegeneration, producing a model guiding experimental prioritization
- Presented findings on neurodegenerative mechanisms to 10+ faculty and researchers while collaborating across 3 departments to identify research gaps and strengthen study design

ROMARK LABORATORIES L.C.

Research Assistant

Tampa, FL

June 2021 - August 2021

- Built Excel dashboards tracking 25+ COVID-19 drug candidates across efficacy, trial phase, and mechanism, improving clinical and regulatory decision-making efficiency
- Synthesized 400+ articles and multi-drug datasets to evaluate niclosamide's antiviral potential and identify therapeutic mechanisms, informing pipeline prioritization

LEADERSHIP & SERVICE

AMERICAN PARKINSON DISEASE ASSOCIATION

Impact Partner

Dunedin, FL

July 2025 - May 2026

- Managed end-to-end session planning and execution for 15+ participant support group, including coordinating guest speakers, delivering presentations, and overseeing reporting for APDA outreach initiatives

UNIVERSITY OF FLORIDA SCIENTIFIC DIVING PROGRAM

Divemaster

Gainesville, FL

August 2020 - February 2023

- Oversaw in-water training and safety operations for 30+ students across 3 SCUBA certification courses, coordinating dive logistics, equipment readiness, and adherence to safety protocols
